The kitchen spans the full width of the caravan and is conveniently located at the front as you step inside. The Truma Combi 4E heating system guarantees a warm and comfortable night's sleep for everyone.

A clever twist on a design classic, the ERIBA Touring 620 Legend brings the campervan and caravan worlds together. A lot to like in the 620, retro vibe with its modern interior design. The washroom is well thought out with storage easy to clean and usable in a very compact space.

This award highlights ERIBA's ongoing mission to push the boundaries of caravan design while maintaining the comfort, safety, and style that customers have come to expect.
